

# DBI Americas

July 2023

# Global leader in protective solutions

1937

**Founded** as one of the first manufacturers of plastics in Denmark

1978

**New HQ** and plant in Stenlille Denmark

1980

First European subsidiary opens in **Germany**

2003

**Cleanroom** production facility in Stenlille

2008

Opening of **2nd plant** in Stenmagle Denmark

2008

Opening regional **HQ for Americas** in Detroit

2011

Opening regional **HQ for Asia** in Shanghai

2013

Launch of „Connect” brand and first delivery to **Automotive industry**

2018

**New European distribution** and production center in Poland

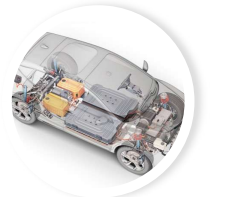

2020

Launch of **BIO plastics** material

2021

Launch of **DBI LOOP** Return & Recycling service

2022

Product portfolio **for EV market**

# Organizational Structure

Hans Hellstrøm Henningsen  
President & CEO  
Administration

## People reporting to Hans Hellstrøm Henningsen (4)

Kim Nihøj  
Chief Operations Officer  
Operation  
Denmark

Ole Lund Madsen  
Deputy CEO & CFO  
Finance  
Denmark

Jannik Allentoft  
Chief Product Officer  
Marketing  
Denmark

Søren Ernstsén  
Chief Commercial Officer  
Sales  
Denmark

# Protecting your advanced products

More than **4,000** standard protective solutions

# Think globally, act locally

# Protect your business - advanced solutions at every stage

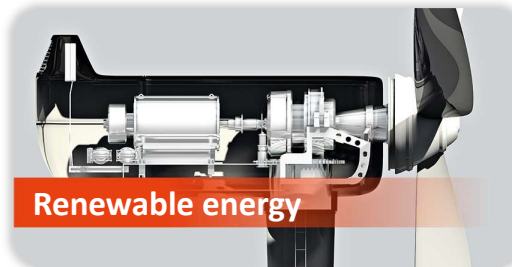

## Effective protection from finish to final assembly

Protecting your products during production, storage, transport and final assembly is vital to ensure optimal product performance

## Extreme care of highly specialized parts

The more advanced systems - the more sensitive to impurities

# We are an expert in ICE segment

## SEGMENTS

### Turbocharger

### Engine

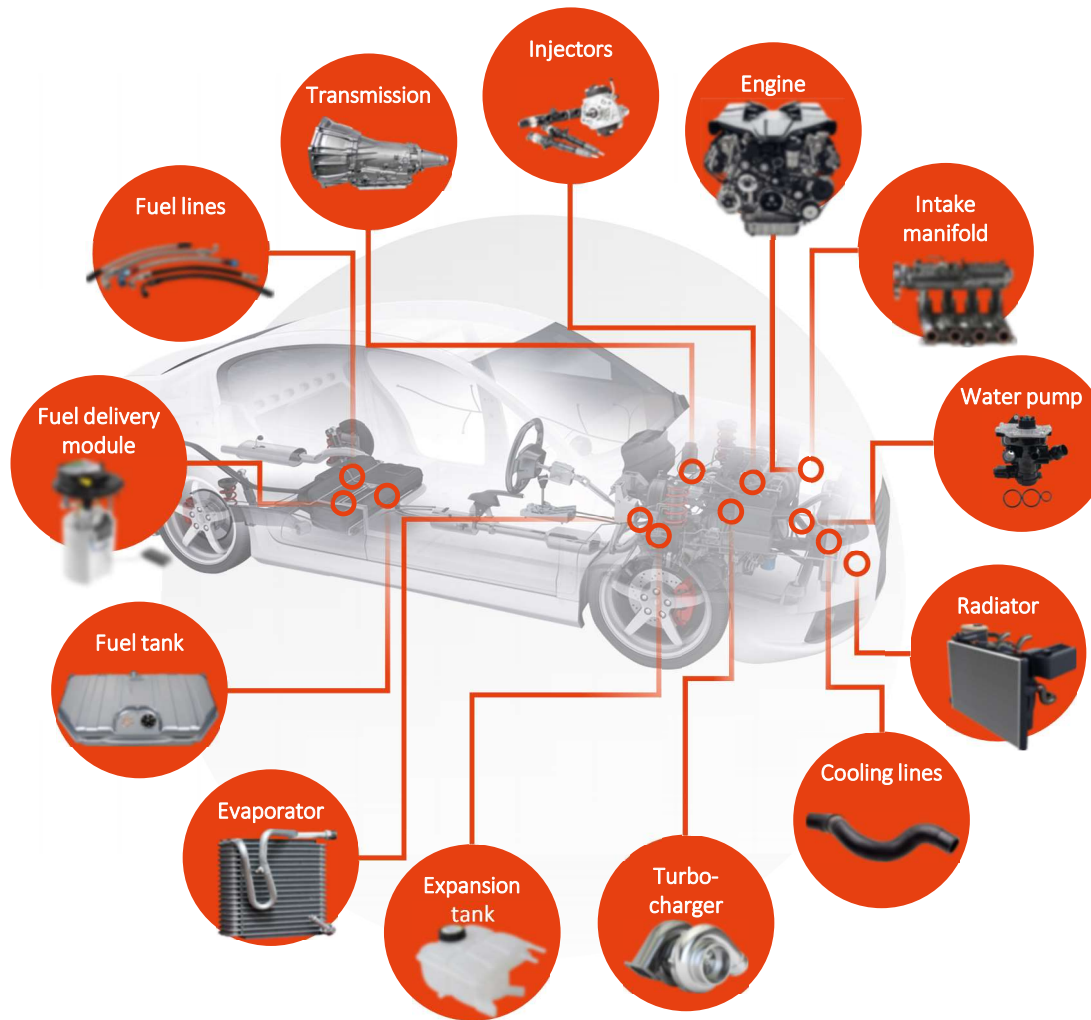

- Intake manifold

### Fuel system

- Fuel tank & fuel delivery module
- Fuel lines
- Injectors

### HVAC system (incl VDA standard)

- Cooling lines
- Radiator
- Evaporator
- Expansion tank
- Water pump

## PRODUCT RANGES

Cyl. Caps with Ribs (GV)

Plugs with Tab (BB)

Center Pull-Out Plugs (DT)

Absoline Components (FA)

Quick Connector Plugs (DS.)

Universal Protectors (NA)

DV Caps for VDA QCs (DV)

Protectors with handle (NS)

Cylindrical Protectors (MA)

Cyl. Caps with Flange (GR)

# ... and we know which applications require special attention in the NEV segment

## SEGMENTS

### HVAC system

- Cooling lines
- Radiator
- Evaporator
- Chiller
- High-voltage coolant auxiliary heater
- Battery cooling plate

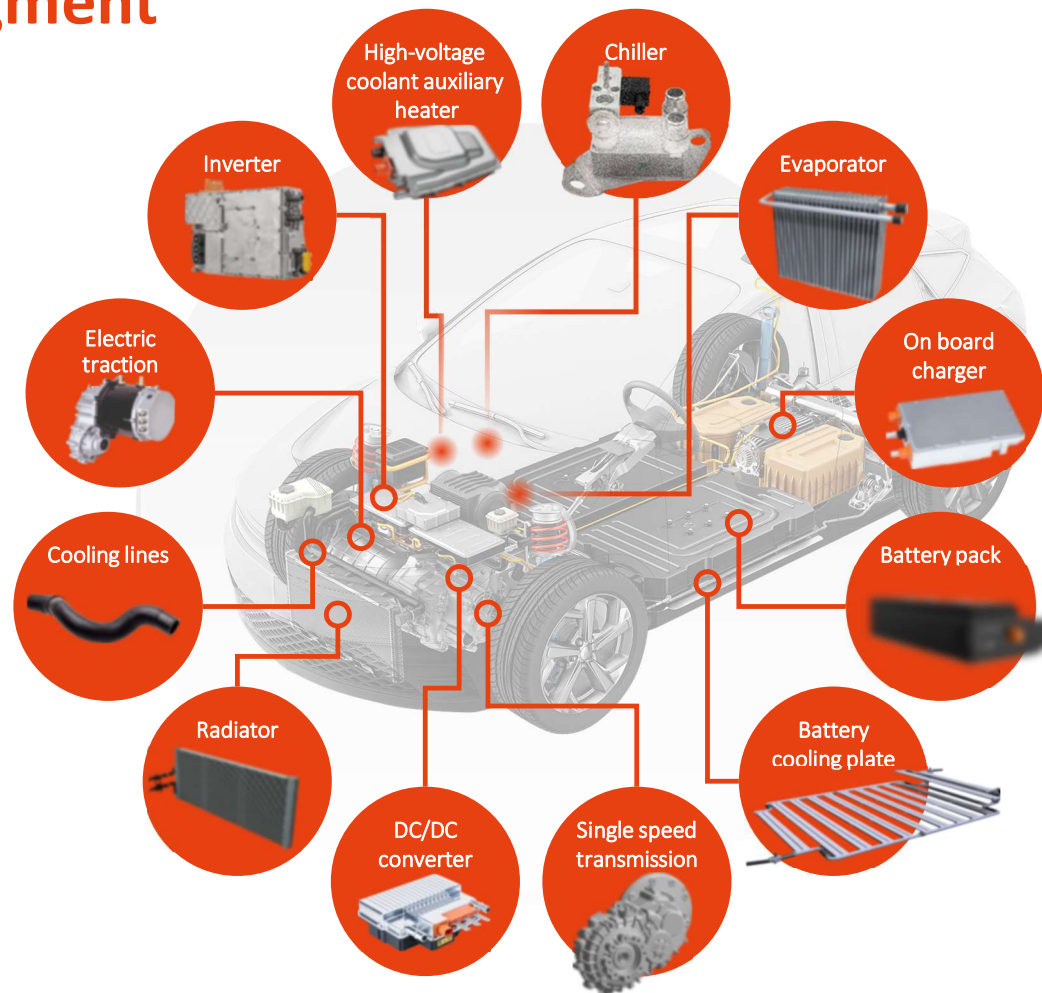

### Single speed transmission

### Power electronics

- Inverter
- On-board charger
- DC/DC converter

### Motor

### Battery pack

## PRODUCT RANGES

# Certified in Quality, Environmental and Automotive Standards

3D Technology Design Center

Manufacturing according to ESD requirements

Lab tests in standard and cleanroom area  
(Metrology laboratories, microbiological labor)

## IATF 16949

Quality management system for **automotive industry**

## ISO 9001

**Quality management** system

## ISO 14001

**Environmental** Management System
