

The solution in energy savings

OEM - AUTOMOTIVE

COMPANY PRESENTATION 2021

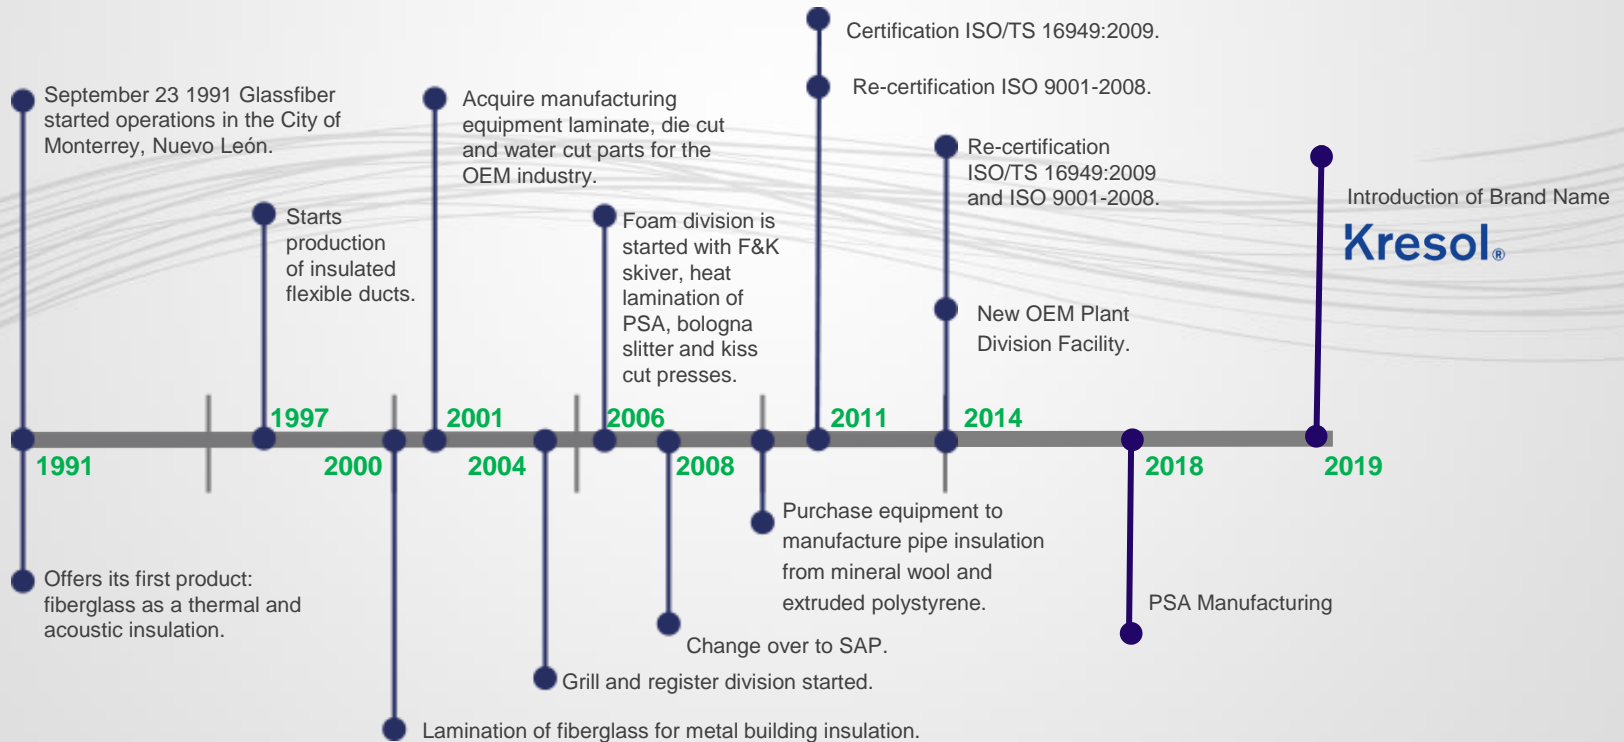

Kresol®

WHO WE ARE

Glassfiber del Norte is a manufacturer rep with inventory for immediate on time delivery, and we are a value added manufacturer of insulating products in México with more than 29 years of experience in the market.

Our company has an excellent long term relationship with the most important insulation manufacturers in the United States, e.g., Johns Manville, Flexible Technologies, Kflex, Nomaco, Armacell, Dow, Venture Tape (3M), Atlas Roofing, CertainTeed, Soprema, AIM Fiber Products, Adhex and Roxul. Our company has supplied the OEM market for a number of years with a variety of products for the appliance, HVAC, construction, energy producing and automotive industries.

OEM Manufacturing Plant Nexxus, in Escobedo, N.L.

OUR MISSION

Offer products and services that meet the commitments to our customers and company objectives.

OUR VISION

Be a financially successful company that has steady growth and fulfilling our social responsibilities, offering quality products and services that innovate and add value to our business partners.

OUR VALUES

- **CUSTOMER SATISFACTION.** The success of our customers is our future.
- **INTEGRITY.** Be honest, fair, respectful and loyal in our actions.
- **COMMITMENT.** With our customers, employees, suppliers, community and environment, achieving economic sustainability of the business.
- **FLEXIBILITY.** We adapt to customer needs.
- **INNOVATION.** We are open to change so as to achieve excellence in "processes, products, people and services" through our program of continuous improvement.
- **TEAMWORK.** Confidence to see others as an extension of oneself in order to meet the objectives of the company.
- **SPIRIT OF COMPETITION.** We strive to be the best.

We represent the best trademarks and products in the market, and we are primarily focused on customer service.

QUALITY STANDARDS

Glassfiber's quality system ensures our product quality. We are proud to have obtained the ISO 9001:2015 certification and the IATF16949:2016 certification for the automotive Industry, and it is our backbone for service and commitment.

The essence of Glassfiber: committed to service and quality.

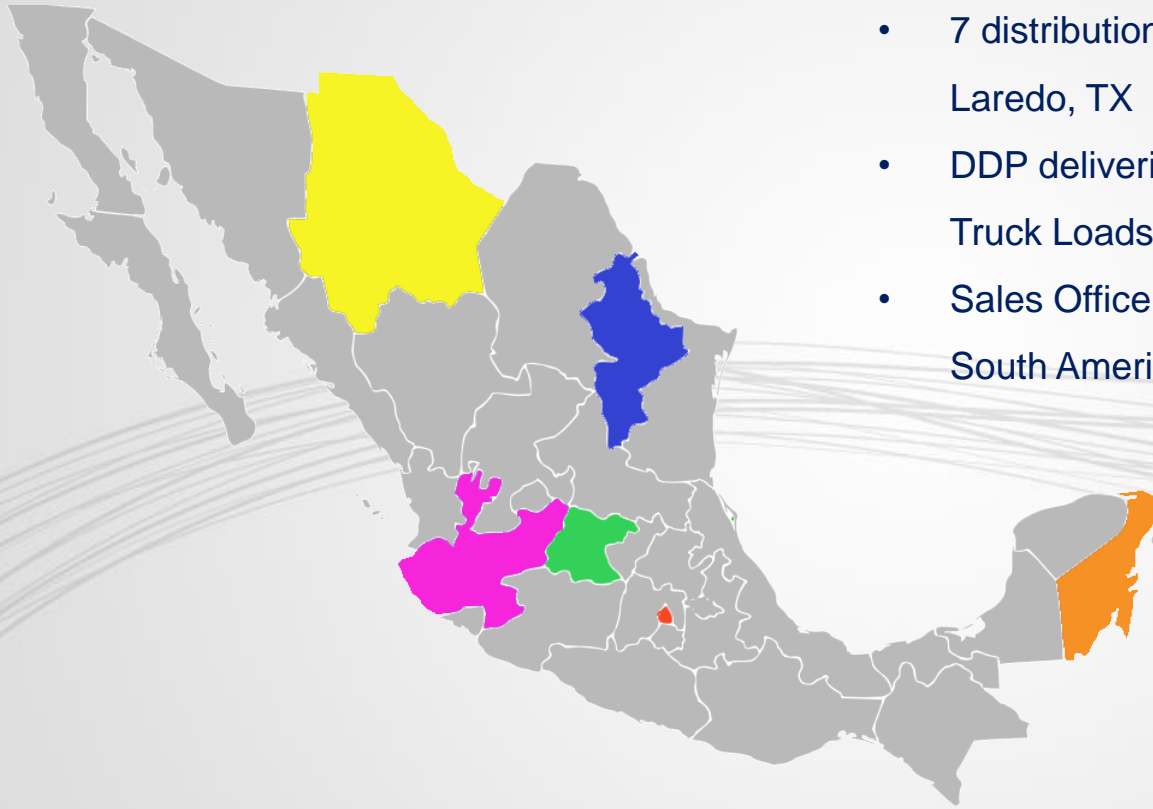

Glassfiber has about 200 employees, all professional, experienced people and highly trained in their field.

The different departments or areas of service at your disposal, e.g., Metal Building, HVAC, Grilles and Registers, OEM appliance, OEM HVAC, OEM foams, OEM Automotive, make Glassfiber the best option in the market for the solutions required in your business. We stand ready to provide you with the best options and solutions!.

Our infrastructure allows us to provide service to you almost anywhere in the country in regards to delivery of materials, support and specifications, for we have branches in Monterrey, Guadalajara, México, Cancún, Playa del Carmen, Chihuahua, León and representatives in various parts of the country.
