Landsberg

ORORA

Your Packaging Solutions Partner

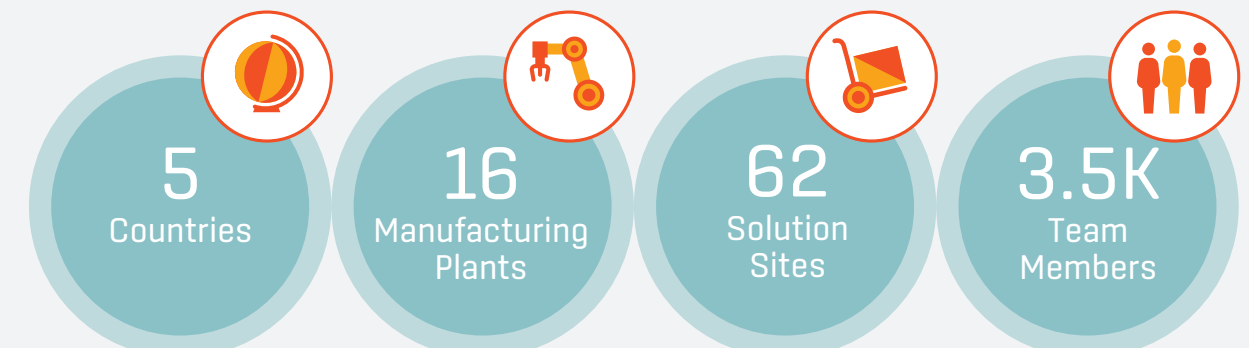

How We Solve Packaging Challenges

Since starting business in 1947, we have operated by the philosophy that everything begins & ends with our customers. We work with you on an individual level to develop exceptional packaging solutions, customized to your business's unique needs. When you partner with Landsberg Orora, you receive a team of experts dedicated to improving your business & taking your packaging to the next level.

Total Packaging Solutions

Global Scope

Landsberg
ORORA

CONSULTATIVE APPROACH & SERVICES

We determine which packaging solutions are most effective based on how your business operates, what products you sell, & your supply chain dynamics.

Packaging Audit

Our packaging experts specialize in assessing opportunities to create total low-cost solutions & operational effectiveness.

- Material Evaluation For Fit to Function
- Supply Chain & Inventory Evaluation
- Standardization Opportunities
- Production Line Throughput Analysis
- Damage Assessment
- Design & Palletization Optimization

Sustainability Analysis

We work diligently with you to create advanced solutions that reduce your impact on the environment.

- Packaging Optimization
- Recycled & Recyclable Materials
- Alternative Materials
- Reduced Packaging Waste
- Supply Chain Efficiency
- Extended Shelf-Life

Our structural & graphic design engineers cater to consumer demands, regulatory requirements, & budgetary needs. We are committed to developing memorable brand experiences through packaging.
